TORNADO

Mobile PPE Dryer

DRY...FASTER

Versatile Drying Capacity: Featuring five reversable drying uprights — four for hang-drying turnout and water rescue gear, plus one dedicated to gloves, boots, and hoods.

User-Friendly Controls: Factory-programmed drying cycles of 2, 4, 8, or 12 hours. Two temperature settings offer a gentle 5- to 12-degree rise over room ambient temperature.

Enhanced Portability: Four heavy-duty 360° swivel caster wheels with brakes provide convenient mobility and secure positioning.

Standard Power Requirements: Standard 120V hook-up and an 8-foot cord.

Built for Durability. Front access service and supported by a **7-Year Warranty!**
